## Provider Line

### Health Plus Adds Walgreens to Pharmacy Network

October 11, 2006 Health Plus was presented an Honorable Mention Award as a Nominee for the 2006 Torch Awards for Marketplace Ethics by the Shreveport Better Business Bureau.

Health Plus is pleased to announce that Walgreens was added to its pharmacy network effective November 1, 2006. The move will bring 8 Walgreens stores into Health Plus' Shreveport-Bossier network.

The pharmacy services provided by Walgreens include 24-hour and drive-

thru pharmacies, large-type patient information sheets, prescription labels in 14 different languages, and nationwide retail location access.

The Health Plus pharmacy network is currently composed of Albertson's, Brookshire's, CVS, Demon's, Drug Emporium, Kmart, Kroger,

Medic, Rite Aid, Super 1, Target, and Wal-Mart.

Register online at [wkhealthplus.com](http://wkhealthplus.com) and perform the following.

- View claim status
- Print an RA
- View Health Plus Member eligibility
- View Health Plus Prescription Drug Formulary

### New Web Tools Launched - Try It, It's Easy!

Health Plus launched a completely redesigned website at [www.wkhealthplus.com](http://www.wkhealthplus.com). The website is compliant with federal privacy standards and allows Providers to view claim status, view Member

eligibility and print a Remittance Advice (RA) online. Providers may also download the Health Plus formulary. Future enhancements will be available in the coming months.

Health Plus of Louisiana, Inc. is a wholly owned subsidiary of Willis-Knighton Health System
